- Start using your King Soopers gift card on all of your regular purchases.
- Reload your gift card in store as needed, **DO NOT THROW IT AWAY!**

What can the gift card be used to purchase?

- Most anything at King Soopers and City Market Fuel Centers except services.
- Cannot be used on Western Union, money orders, Tickets West, postage stamps, Lottery tickets and other gift cards.
- King Soopers gift cards are accepted at most Kroger affiliated stores throughout the U.S.

How to reload your gift card?

- King Soopers makes it convenient for our supports to reload the gift cards.
- Gift cards may be reloaded at the register or Customer Service desk for any amount up to \$500.00.
- Reload your gift at the register you are checking out at for immediate use. When a card is reloaded at the Customer Service desk or register other than where your groceries are scanned, there is a five-minute delay before the funds will be available.
- The gift card must be reloaded in a spate transaction prior to your groceries being scanned.

What if a card is lost?

- Just as gift cards sold at King Soopers stores, we are not responsible for the card value if a card is lost, stolen, damaged, or destroyed.
- A new card will need to be purchased directly from Envision in order for credit to be applied to Envision.
- These gift cards cannot be purchased in stores, as they are a fundraiser gift card.

Important Notes:

- Cards with a zero balance for 90 days will become inactive. A new card will need to be purchased from Envision.
- Occasionally, a card is demagnetized and cannot be reloaded. If this happens, please purchase a new card from Envision.
