How we can best support Jon

Don't be afraid to be honest with me, even if you think I won't like what you say.
I get distracted easily, so do not hesitate to get me back on the path.
Understand that I am a perfectionist and I tend to assume that everyone else is too!

What those who know Jon say they like and admire best about Jon

My honesty
My loyalty
My sense of humor
That I have a generous nature
