I am a good listener
I am a dedicated worker
My ability to adapt and change
with positivity
I am patient
I always try to show my
appreciation and gratitude

How we can best support Meghan

I can be shy at first, I need some
time to warm up to people.
Mornings are hectic, sometimes I
need a minute to be truly present.
Have good conversations with me,
practice active listening and try not
to interrupt.
Make me laugh! 😊
