H'Art of Envision Art Show is a unique and expressive collection created by the talented artists supported through Envision's Art Program. This event showcases paintings, ceramics and other types of media created by adults with intellectual and developmental disabilities (IDD) displayed in a formal gallery setting. The showcase raises awareness while providing a platform for dialogue between the artists, Envision, and the community.

H'Art of Envision came about to bring light to artists who are often underestimated, historically devalued and would not otherwise be featured in a professional art studio or gallery. The work of the artists offers a view into who they are through art which is an universal language that can transcend words or language. Their artwork inspires many and often changes the perceptions of individuals with IDD. Additionally, artists supported by Envision receive 65% of the sale of their art and 35% returns to the Art Program to help sustain the program.

Envision, Creative Support for People with Developmental Disabilities is a non-profit organization that supports over 2,200 children and adults with intellectual and developmental disabilities living in Weld County. As a Person Centered Organization, Envision empowers people to live, love, work and play their way.

Support at any level is always welcomed, appreciated and tax-deductible.

If interested in providing an in-kind donation, please contact Celeste Ewert

Or, visit <https://envisionco.org/donate> for general donations.

The Rose/ VIP Reception will recognize donors with refreshments and early access to the H'Art of Envision Art Show from 5:00 - 6:00 PM.
